

Serious about...
FUN!

Redhill Day Nursery Newsletter, Autumn 2011

Goodbye & Good luck

At the start of the new term we had to say goodbye and good luck to our pre-school children that were ready to move up to primary school, although we wish them all the best in their new schools we have had new friends join us throughout the nursery.

We also said goodbye to Mel and Susan who both worked in the toddler room, this has meant all change within the nursery.

Welcome

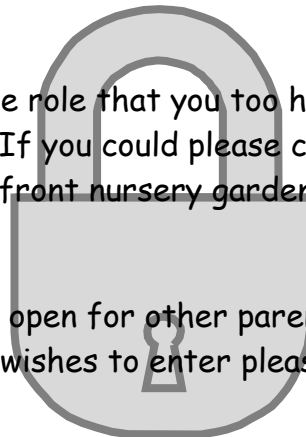

We are very pleased to welcome Julie to our Baby room, many of you will have seen her around as she has been with us for a while working as a member of our supply team, Julie will be working alongside Maree. The Toddler room has welcomed back Lisa from the baby room and also Louise, who has transferred to Redhill toddler room from our Ringwood nursery. This means that the toddler room team is now Pat, Louise, Lisa and Hannah.

The Pre-school room will stay as it is with Gina and Emma and in November the whole Nursery is excited to welcome back Rachel from her maternity leave. She will be working two days a week and in December going back to her full time role, leaving me to go back to the Pre-school room, just in time for all the festive fun to start.

Security

Just to remind you all about the role that you too have to play in the security of the nursery and your children. If you could please close the gate behind you after entering and exiting the front nursery garden and putting both the top bolts on the front gate across.

Also please don't hold the door open for other parents that you don't know and if you are leaving and someone wishes to enter please just tell one of the staff.

Outdoor play

It may still be warm but with weather forecasters saying some areas of Britain may soon have snow, can we just remind you that winter is fast approaching and that suitable clothing for this will soon be needed. You will need to bring in water proof coats for sudden showers. Although we have all-in-one waterproof suits they will not keep the children warm. The children love to play outside and we will be going out every day, whatever the weather.

Recommend a friend

Some of you have been busy telling everyone how wonderful we are and as a result have been rewarded with a free session as a thank you. Anyone who recommends a friend to Redhill Day Nursery and that person mentions your name at the time of booking will also be rewarded with a voucher.
