

Redhill Day Nursery Autumn Term 2020

As we come to the end of Autumn term 2020 we have so much to reflect on and so much to look forward to. In October we celebrated Halloween. We had our annual pumpkin competition, we had a huge party in preschool hosted by our very own Carina who also runs her own party business ks entertainment (check her out on facebook) . We also had a fantastic time creating our pumpkins, doing some arts and crafts and dressing up as spooky witches and monsters.

New outside areas continued ...

This year we have continued to develop our outside area. We have enlarged the outside area around the slide adding more bark and will be developing a sensory area in the far right corner. Keep your eyes peeled for more news on the ever

developing outside area.

Children in need and food collection

Children in need this year couldn't of gone any better! We have managed to raise £100 which completely surpassed any expectations that we had. The real achievement I feel was the amount of donations we received for the food bank. Lisa was able to link us with a contact she has within St Thomas's church and they were able to come and collect our donations and deliver them to the local food bank and those in need within our community. I want to thank each and everyone of you for all your donations! We received more than we ever expected.

Staff news

I would like to take the time to say a massive thankyou to Kelly, she is sadly leaving us to further her professional development within a care home. We wish her all the best and thank her for her service.

We also have a new member of staff joining us and our toddlers team. We would like you to all give a warm Redhill welcome to Emily. She has come to us from another setting and has many years of experience. We feel Emily's bright and chatty personality will add some excitement to our toddler room.

On an exciting note we have said 'see you soon' to Ellie during this term as she has gone on maternity leave to prepare for the birth of her baby that is due early next year. I'm sure you will join us in wishing Ellie good luck and we look forward to meeting her little one in the near future.

Parents evening

I would like to offer everyone the change of having a 10 minute parents evening phone call. Each member of staff has been allocated a set day and time frame. If you would like a parents evening phone call please email becky@redhilldaynursery.com to express your interest. We are always seeking ways to keep our communication open during these times. Welcome to the new norm!

Facebook groups

We are currently in the process of making a large Facebook group for all of us to communicate through. The details of this group will be sent via blossom.

Dates for your diary

Date:	Event:	Details:
Christmas 	Christmas fair and celebrations	Sadly, due to current restrictions we will NOT be able to host our annual Christmas Fair this year. However, we are currently planning a way for the children to see Santa and for you to share in all the Christmas fun in a slightly different way than usual. More information to follow.
