

Redhill Day Nursery Summer 2022 so far

This past month we have celebrated a huge national event. The queens platinum jubilee. We had the absolute pleasure of opening our doors up to our amazing parents for a tea party in our lovely gardens. The children loved being able to share the special day with their families. For all who couldn't make the parties the children still had a fantastic time celebrating with our friends.

Baby room

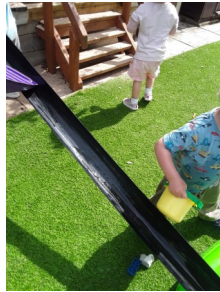

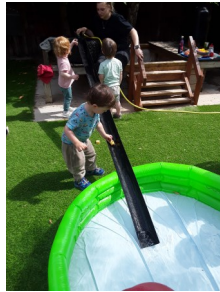

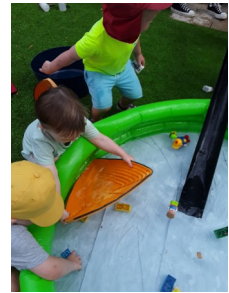

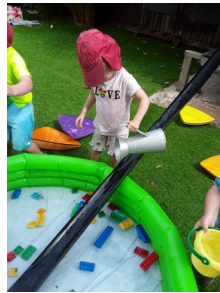

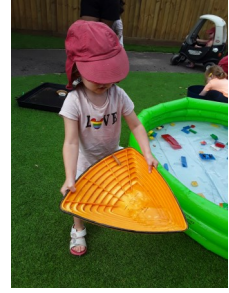

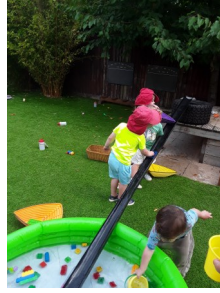

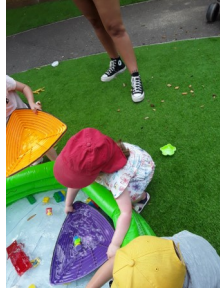

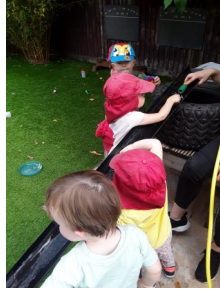

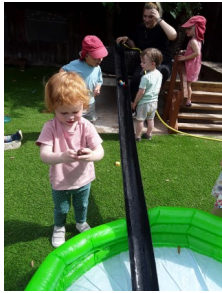

Over the last few months, the babies have been very busy enjoying as much time outside as they can. We have been doing a range of different water play activities that has included water play with ducks, coloured water, bubbly water and washing our dolls which we had lots of fun doing. We have also been mark making in sand using spades and building sandcastles. Other outdoor activities have included chalking, practising our climbing skills and racing round the garden with the walkers. During inside time we have been continuing mark making using different media that included shaving foam, hair gel, playdough, instant mash and our favourite being paint where we got completely covered but had so much fun painting ourselves and our friends.

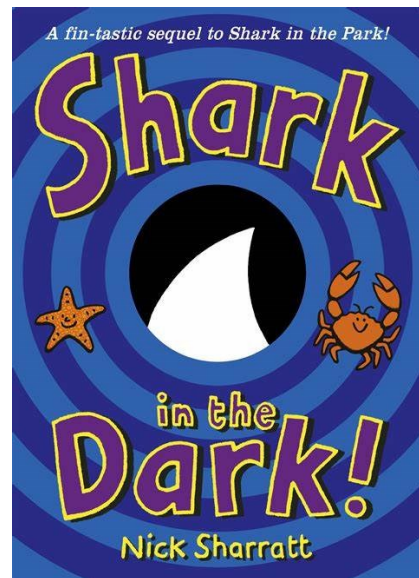

We have also been practising building with blocks, completing puzzles, looking at books and having lots of fun with music and movement.

Over the next couple of months we will be starting to prepare our older babies for their moves to the toddler room by doing lots of settling in sessions to make sure that they are ready for their new chapter. If you would like more information about when your little one is moving or you would like some information on the toddler room please speak to Becky or Lisa who will be more than happy to talk to you about the toddler room. In the baby room we will be continuing to focus on the children's interests and completing activities to support this.

Toddler room

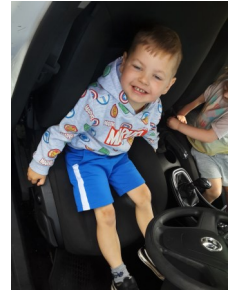

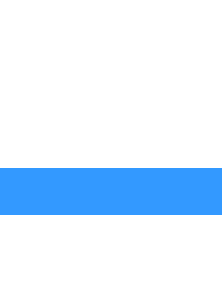

In toddler room we have loved water play! We have been tipping, pouring and transporting the water around the garden. We loved watching objects sink and float and talking all about the differences in the objects weights. The children used lots of different toys, equipment and resources to transport the water. The favoured one has definitely been the stepping stones as they fit 'lots and lots' of water.

Toddler have also been so lucky and our amazing member of staff Nicky went to the library for us! She found this amazing story which we have read everyday for nearly 3 weeks!

Preschool

Preschool have been talking lots about the dangers of the world and how we can keep ourselves safe. We were so lucky to have 2 lovely police officers come in and talk to us about Stranger dangers. After learning all about how we can keep ourselves safe we got to sit in a police car! It was such an amazing day.

Preschool part 2

On Saturday 23rd July we had the pleasure of hosting our leavers party! It was such a fantastic day and we are so grateful for all who came. It's such a hard time saying good-bye to our school leavers but we know they are going to fly at school!

Dates for the diary :

29th August

Bank Holiday

31st August

Final day of funding for the school leavers children. Unless directed otherwise.

Current availability

Do you know someone looking for childcare? Well look no further, we have some availability left for 2022.

Contact us now to avoid disappointment.

Ruby room (baby unit) - full on some days, availability opens January 2023

Emerald room (toddlers) - Spaces available on some days for children who turn 2 on or after June 2022.

Preschool - Spaces available for Autumn term 2022.

Call 01202 577788 or email info@redhilldaynursery.com now for information.

If your personal details have changed recently i.e. new number or new address please let us know ASAP. It is vital we hold up to date information for all contacts involving your child. In the event of an emergency we must ensure we have the relevant numbers we need. We have also noticed that some Blossom 'all about me' are currently out of date please could you use your app to update your child's information so the staff have up to date knowledge about your child.

Additional Information

Hello Megan

I am sure some of you have noticed a new member of staff in our baby room. Megan started with us on the 6th June, she is working Wednesday to Friday currently and goes full time with us in September. She has a lot of experience with babies and even runs baby sensory groups in her spare time.

Spare clothes

If your child is sent home in nursery spare clothes, please ensure these are returned to nursery as soon as possible. We have had high amounts of clothing not being returned, which means we now have a very limited supply of spare clothes. Please ensure you pack enough spare clothes for your child for the day, so our spare clothes are saved for emergency situations only! Thank you.

Car park

We just want to ask that people take a slower approach when entering the car park. Please remember that at any time parents could be dropping or collecting their child meaning there are children around.

Lets have the best summer together!

From

Becky, Lisa and the Whole Redhill team
