2025 news and celebrations

I would like to share the amazing news with you that Courtney is expecting a beautiful baby girl in November! We are so happy for her and can't wait to meet the new addition to the Redhill Day Nursery family.

Nursery tea party celebrations:

During the week commencing 14th July we will be holding afternoon tea parties; to celebrate 20 years of The Day Nursery Group! The rooms will be handing out invitations and we hope to see you all for a traditional afternoon tea 😊

Toddler room open day:

Do you know anyone who is looking for childcare? Please let them know about the event. We are hosting a toddler room Open Day on Saturday 19th July, from 10am to 1pm.

Don't forget our referral reward too! If you recommend someone to any one of our settings and they register with us, as long as they mention your name, you will receive a £100 credit as a thank you! (T's & C's apply).

Reminders

Information sharing

We would like to remind everyone of the importance of information sharing. It is so important we know about any changes to the children's home lives, sleep patterns, eating patterns, allergies or medical needs so we can best support them while they are at nursery.

If they haven't had a good night's sleep, tell us. If they have started having medical investigations, tell us. Started long term meds (i.e. inhalers) tell us. Family members visiting, tell us and so on

All these things can affect a child's day with us so it's so important we know, so that we can continue to offer high levels of care and support.

Everything is communicated confidentially and, on a need-to-know basis. Our doors and phone lines are always open so don't hesitate to let us know, even the smallest thing.

End of the session

As you are all aware our opening hours are 7:45am-6.00pm. The morning session finishes at 12:45pm and the afternoon session finishes at 6pm. If you would like a detailed handover, we ask that you arrive no later than 5:50pm to enable staff to do this for you. Any collections after your child's session ends will occur a fee. If you are running late, please give us a call to let us know who will be collecting your child.

Mobile Phones

The nursery operates a strict NO mobile phone policy to safeguard the children in our care.

Please refrain from using your mobile phones whilst on the nursery premises, this includes making or receiving phone calls, reading or sending messages, video calls and taking photos when on the premises (both inside and outside).

Medication:

We understand that all children will become unwell at some point, and this can cause a strain on everyone within the household. For us to stop the spread of illness we ask that if your child needs Calpol or if they have had any prior to starting their nursery day please keep them at home.

If your child is prescribed eye drops, antibiotics, steroids or any other medicated cream's etc. they will need to remain off for 24 hours. Once 24 hours have passed, they are able to return to the setting and staff will administer any medication needed during their session.

All medication must be clearly labelled with your child's name and the required dosage. If you are unsure, please speak to the members of the team.

Car park

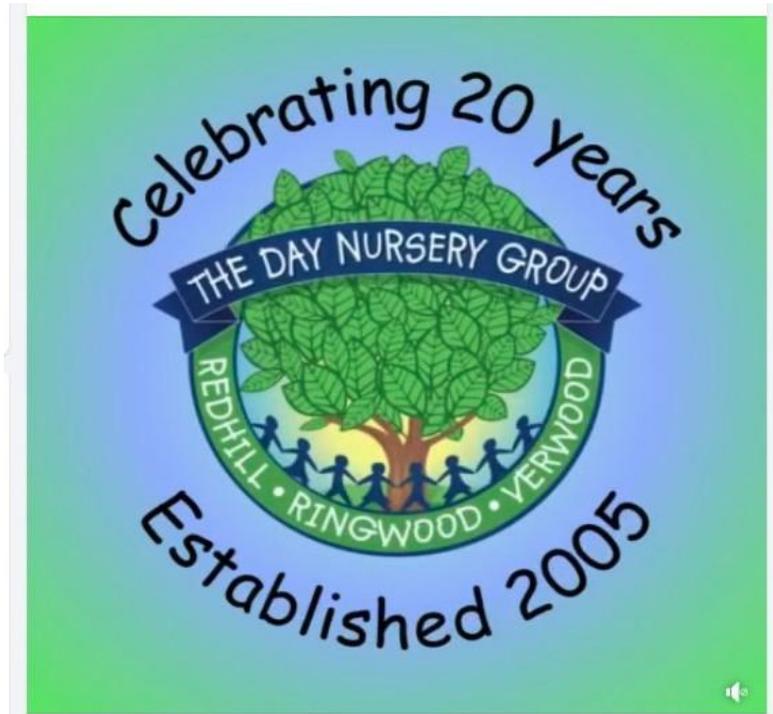

We just want to ask that people take a slower approach when entering the car park. Please remember that at any time, parents could be dropping off or collecting their child, meaning there are children around.

Could people also remember to park respectfully to allow as many vehicles as possible to park and to ensure children are transported safely in and out of the setting by not blocking the gate.

Thank you for all your support!!

Coming in 2025

Dates for your diaries:

Saturday 19 th July	Toddler Room Open Day
Saturday 26 th July	School Leavers Party
Saturday 20 th September	Concept photography, booking to open in September

From Becky, Lisa and the Redhill Day Nursery team
