What's been going on

We're changing the way we share 🧡

You might start to notice something a little different about the photographs on our social media pages. 💚

Going forward, we will no longer be sharing identifiable images of children on our public social media.

With recent updates to the Early Years Foundation Stage guidance around children's screen use, we've been reflecting on our wider digital practices.

Children's digital lives aren't just shaped by the screens they use, but also by what we, as adults, choose to share online on their behalf.

You'll still see little hands getting messy, wellies exploring, children absorbed in play and all those wonderful nursery moments - just without identifiable faces.

We believe children should have the opportunity to shape their own digital identity when they're old enough to make those choices.

Until then, we'll do our bit to protect it. 💚

We'll still share the magic.

We'll just share it a little differently.

Jiggly Wrigglers

We have been so lucky this half term to welcome the lovely Leanne from Jiggly Wrigglers every Monday morning!

The children have absolutely loved these fun-filled, interactive sessions! From meeting the funny puppets and exploring the beautiful sensory scarves to ending each session with the magical, light-up butterfly cape, there have been so many smiles, giggles and moments of wonder! 🦋 🌈

It hasn't just been the children who have enjoyed these special mornings - the staff have loved watching the children's faces light up with excitement, seeing their confidence grow and sharing in all the fun!

A huge thank you to Leanne for bringing so much joy, laughter and magic to our Monday mornings! ❤️

Tuff tray tasks:

Throughout the nursery, our staff have been getting creative with a variety of exciting, messy play tuff trays!

The children have loved exploring the different setups, discovering new textures, colours and materials. These activities encourage curiosity, creativity, fine motor skills and sensory exploration, all whilst having lots of fun!

As Jean Piaget said, "Play is the work of childhood." ♥

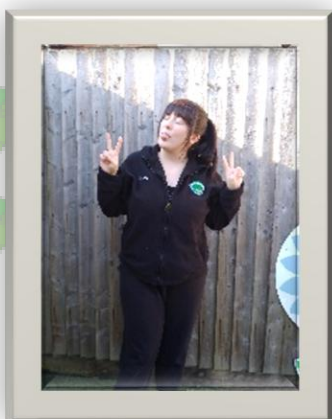

Staff News:

We're pleased to share some news about the training our team members have recently started.

Maddy, who works in the toddler room, has recently started training towards her Level 3 qualification.

She already holds a Level 2 qualification and wants to build on her knowledge in her role.

Lucy, who has been a bank member of the team since 2021, has recently started her early years teacher training.

She will be based in the baby room and will also spend time with all the children to develop the knowledge and understanding she needs for her course.

Amy, who works in the preschool room, has recently started her Level 3 qualification in Special Educational Needs.

She has enjoyed working with our SENCo and learning more about how to support the children in her care.

Information sharing

Please tell us about any changes to your child's home life, sleep, eating habits, allergies or medical needs. This helps us give them the care and support they need at nursery.

For example, let us know if your child has slept poorly, is having medical tests or has started taking long-term medication, such as an inhaler. Please also tell us about changes at home, such as family members visiting.

These changes can affect your child's day at nursery. Knowing them helps us continue to provide a high level of care and support. We keep information confidential and share it only with those who need to know. You can always speak to us or call us. Please let us know, even if the change seems small.

Referral reward

Don't forget that our referral reward is to say thanks to those parents who recommend friends and colleagues to Redhill Day Nursery.

To benefit from this reward yourself, you must ask the person you recommend mentioning your name at time of enquiry or booking and the new child must be on a full-time contract (51-week contract).

Then after the new child has attended Redhill Day Nursery for 3 full months, the £100 reward will be credited to your account during the 4th month.

End of the session

As you are all aware our opening hours are 7:45am-6.00pm.
The morning session finishes at 12:45pm and the
afternoon session finishes at 6pm.

If you would like a detailed handover, we ask that you
arrive no later than 5:50pm to enable staff to do this for you.
Any collections after your child's session end will occur a fee.
If you are running late, please give us a call to let us know who
will be collecting your child along with a password if needed.
Please be aware we charge for lateness.

Christmas Closure Reminders

The nursery will be closing at 4.00 pm on Christmas Eve
and we reopen on Monday the 4th of January 2027.

From Becky, Lisa and the Redhill Team
